UNITED STATES DEPARTMENT OF AGRICULTURE

AGRICULTURAL ADJUSTMENT ADMINISTRATION 1935

U. S. Department of Agriculture

LIST OF INFORMATIVE MATERIAL

Issued by the

AGRICULTURAL ADJUSTMENT ADMINISTRATION

May 12, 1933, to May 1, 1935

Prepared in the Correspondence, Records, and Printing Section, Division of Information

This pamphlet lists the informative material of the Agricultural Adjustment Administration classified as general informative, commodity informative, and other matter. The general informative material includes addresses, pamphlets, reprints of articles by officials of the Department of Agriculture, and other matter of general interest to persons concerned with agricultural problems. The commodity informative material is grouped separately for the convenience of persons desiring information on each commodity. Periodical publications are listed as other matter.

Request for this material should be addressed to the Correspondence, Records, and Printing Section, Division of Information, Agricultural Adjustment Administration, Washington, D. C. Because editions are limited, it is not possible to have in stock at all times a supply of all items listed.

Be sure to write name and address plainly and indicate street and number or rural route number, as the case may be.
